

For the first time in its history, TPI Polene Plc (TPIPL) and TPI Polene Power Plc (TPIPP) achieved the 5-Star "Excellent" rating of its Corporate Governance Practices for the year 2023 as assessed by both IOD and SET and as published in their "Report of Thai Listed Companies for the Year 2023" (CGR 2023). This is a validation of our continuous effort to achieve the highest possible standards and adapt best industry practices in all aspects of our operations to advance our long term commitment to BCG Economy, Sustainability Precepts and aiming at creating long term shareholder value.

Coincidentally, two of our Executive Vice Presidents – Dr Porakrit Leophairatana, New Business Development TPIPL and Mr. Pakkapol Leopairut, Finance TPIPP – attended the 2023 award ceremony held at the Atlantis, The Palm Dubai hosted by International Business Magazine and received the accolade for TPI Polene: The Best Corporate Governance Company in Thailand 2023.
